Through The Years

1999

- Okan University, one of the youngest and the most dynamic universities of Turkey, was founded by Okan Culture, Education, and Sports Foundation in 1999 and began its academic life in 2003-2004.

2006

- Since the 2006-2007 academic year, the rapidly growing university has been located in its new and modern Akfırat campus. Now, it reached 63 undergraduate, 41 master and 13 Ph. D. programs under eight faculties, two vocational schools and three graduate schools.

Our Motto

True to its motto, “The University Closest to Business Life,” Okan University effectively combines theory and practice by employing an academic staff who are experts in their own fields, adopting a contemporary approach to education, and focusing upon practice-oriented studies which prepare the students for business life, starting from students’ very first year of study.

Our Vision

Our vision is to become a world-class university which contributes to the betterment of the nation and its business life by providing education of the highest standards and thereby preparing its students to enter the modern business world, ensuring that they are open to domestic and foreign competition, and instilling them with social responsibility and environmental consciousness.

Our Mission

- To train students to think in an analytical, interdisciplinary way, and to instill them with an entrepreneurial spirit.
- To invest in and support innovative scientists and scholars who are able to successfully integrate education and training and thus help our students to become exceptional graduates in their respective fields.
- To concentrate on educational and research activities directed at meeting the needs of society by making social responsibility and environmental consciousness our priority.
- To convert information into technology and social benefit.

Turkey Industrial Park. It is an industrial park project, which was built by Chinese community in Turkey and Shanghai investment limited corporation. The construction of Turkey Industrial Park has approved by some government departments in Turkey. Turkey Industrial Park is targeted at the fields of electronics, light industry, textile, heavy industry, high-tech and new energy resources.

Golden Passport Scheme

Turkey announced its citizenship by investment programme in 2016. It grants residency, citizenship and a second passport to applicants investing either in real estate or a bank deposit. The real estate route is particularly attractive for investors. Turkey offers Gold passports to investors and their immediate family members against the following investments.

Requirement

1. Real Estate: Buy real estate at least \$250,000 not sold for 3 years
2. Bank Deposit: Deposit at least \$500,000 in Turkish banks
3. Government bonds or securities: Buy \$500,000 Turkish government bonds locked for 3
 - years
4. Venture capital funds: Buy \$500,000 worth of VC fund share
5. Job creation: Employ at least 50 people

Frequently Asked Questions By Students

According to the New Law on the International Labor Force, foreign students who are enrolled in formal graduate programs as Master's or Ph.D. program in a higher education institution in Turkey are able to work and apply for work permits.

Frequently Asked Questions :

As an international student if I do my undergrad in Turkey will I be able to work there after graduation?

- Ans : If you would not receive a state scholarship during your education in Turkey you can obtain a work permit once you graduate. Otherwise you need to spend at least one year abroad to be eligible for work permit application.
- Work permits granted to the foreign students do not terminate the valid student residence permit and the rights granted by this residence permit.

Frequently Asked Questions :

- In the event that the foreigners who completed their higher education in Turkey apply for a work permit within one year as of their graduation date, the application shall be evaluated in accordance with the principles determined by the International Labour Policy Advisory Board.

Important: *Please be informed that foreign students who are granted state scholarship in Turkey during the Bachelor degree are not able to get work permit after the graduation even if their type of residence permit has been changed to the short term residence permit.*
